

30 Year

PERFORMANCE WARRANTY

Colourcon Roofing Tiles (Private) Limited Guarantees that Colourcon™ roof tiles supplied to you will remain structurally sound for 30 years from the date of purchase.

During the Lifetime of the guarantee, your tiles will not:

- + Become porous and leak.
- + Crack, split, corrode or Warp due to defective manufacture.
- + Be structurally affected by Salt, Air or Frost.

This Guarantee does not cover:

- The surface appearance of the roof tiles as it is subject to natural variations. After constant exposure to the elements, the sheen coat on the surface of the roof tiles may weather and there could be a change in the colour surface of the tiles.
- The cost of removing and/or replacing defective roof tiles.
- Damage to roof tiles caused during installation.
- Damage caused by abuse, neglect or improper handling.
- Damage caused by earthquakes, cyclones and other acts of God.
- Damage to tiles caused by foot traffic or falling objects.
- Damage to tiles caused by air pollution or by application of improper chemicals, cleaners or coatings.
- Damage to tiles not installed in accordance with instructions given in the Colourcon Roof Construction Handbook.

If Colourcon™ tiles are found to be defective according to the above specifications, Colourcon Roofing Tiles (Pvt) Ltd will, at our sole discretion, furnish free of charge, a roof tile for each defective roof tile or refund the purchase price of each defective roof tile.
